

The 2016-2017 Concert Season Chamber Music Series concerts provide an opportunity for advanced level YSSO organization musicians to learn and perform chamber music.

The YSSO Music Director will review the applications and select musicians based upon technical proficiency, level of musical development and the number and structure of the ensembles. If an advanced YSSO musician is interested in being considered for participation, he/she must complete this form and turn it in with all other registration forms/releases on **Sunday, October 2**. Please keep in mind that it may not be possible to form a sufficient number of level-appropriate ensembles in order for all qualified and interested musicians to participate.

Musicians will receive assignments and information in November. Musicians are expected to know their parts and to schedule two additional non-coached rehearsals in addition to the coached rehearsals. **Attendance at all coached/non-coached rehearsals and concerts is mandatory.**

Chamber Music Series rehearsals and performances take place following the *Fall Concert Series*. Some ensembles may be asked to perform at other venues during the season so musicians should be prepared to schedule additional rehearsals and learn additional repertoire as needed.

Coached rehearsals may take place at North Medford High School OR the YSSO may move the rehearsals to another location. Please listen for announcements and read e-mail reminders for information.
