

2026-2027 Concert Season

Chamber Music Series

Chamber Music Series performances provide an opportunity for advanced-level *Youth Symphony* musicians to learn and perform chamber music for string, brass, and woodwind instruments. Ensembles typically include string quartets, trios, or quintets, as well as woodwind and brass groups, and mixed ensembles.

The YSSO Interim Conductor will review the applications and select musicians based upon technical proficiency, level of musical development, and the number and structure of the ensembles.

Advanced-level YSSO musicians interested in being considered for participation must complete this form. Families/musicians are asked to turn in the form with all other registration forms/releases.

Please keep in mind that it may not be possible to form level-appropriate ensembles for all qualified and interested musicians to participate in the program.

Musicians will receive assignments and information in October or November. Musicians are expected to know their parts and to schedule two additional non-coached rehearsals in addition to the coached rehearsals. ***Attendance at all coached/non-coached rehearsals and concerts is mandatory.***

Chamber Music Series rehearsals may begin prior to the *Fall Concert Series*. Performances take place following the *Fall Concert Series*. Some ensembles may be asked to perform at other venues during the season so musicians should be prepared to schedule additional rehearsals and learn additional repertoire as needed.

Performances:	2:00 p.m.	December 12, 2026, Grace Lutheran Church, Ashland
	2:00 p.m.	December 13, 2026, Grace Lutheran Church, Ashland
	7:00 p.m.	February 11, 2027, Location TBA ***

***The Interim Conductor will contact musicians/ensembles concerning participation in the February 11 concert.
